Report of Independence Day of India Celebration

The Institute of Pharmacy & Technology (IPT), Salipur, celebrated the 75th Independence Day of India with great patriotic fervour. The event, which took place on 15th August 2022, witnessed active participation from both staff and students of IPT, Salipur. The Independence Day celebrations commenced with the hoisting of the Indian national flag at the institute's central courtyard. The flag was hoisted by the Principal of IPT, Salipur on a backdrop of synchronized recitation of the national anthem by all present.

Staff and students pledged to work towards a better India by upholding the principles of justice, liberty, equality, and fraternity. The Independence Day celebration at IPT, Salipur, was a resounding success. IPT is committed to organizing events that promote the spirit of patriotism and social responsibility among its students, nurturing them to become well-rounded individuals who will contribute positively to our great nation.

Report of Republic Day of India Celebration

The Institute of Pharmacy & Technology (IPT), Salipur, celebrated the 74th Republic Day of India with great enthusiasm and patriotic fervour. The event, which took place on 26th January 2023, witnessed active participation from both staff and students of IPT, showcasing their unwavering commitment to the values and principles that our nation stands for. The Republic Day celebrations commenced with the hoisting of the Indian national flag at the institute's central courtyard. The flag was hoisted by the Principal of IPT, amidst a backdrop of synchronized recitation of the national anthem by all present. This ceremonial moment symbolized our respect and love for the nation.

In an effort to instil a sense of responsibility and commitment towards the nation, a pledge was administered to all present. Staff and students pledged to work towards a better India by upholding the principles of justice, liberty, equality, and fraternity. The Republic Day celebration at IPT, Salipur, was a resounding success, thanks to the active participation and enthusiasm displayed by both staff and students. The event served as a reminder of the importance of our Constitution and the values it upholds. It also encouraged a sense of responsibility and patriotism among the youth who are the future of our nation.

IPT is committed to organizing events that promote the spirit of patriotism and social responsibility among its students, nurturing them to become well-rounded individuals who will contribute positively to our great nation.

Report of Comprehensive Orientation Programme

The Institute of Pharmacy & Technology (IPT), Salipur, was delighted to welcome the new batch of 1st-year students who were admitted to our esteemed institution in 2023. To ensure a smooth transition into college life and familiarize them with our campus culture, we organized a comprehensive Orientation Programme on the 20th of February 2023. This event was made possible by the active participation of IPT staff and students who played pivotal roles in its success. The Orientation Programme was meticulously planned and executed, with various activities and sessions designed to introduce the newcomers to the academic, cultural, and social aspects of college life.

The programme commenced with a warm welcome address by the Principal of IPT, followed by an inspiring keynote speech. This set the tone for the day's activities. The academic department heads provided an overview of the courses offered at IPT, the curriculum, examination procedures, and academic support systems available to students. This session also included a presentation on the importance of research and innovation in the field of pharmacy.

Campus Tour: A guided campus tour was organized to help students become familiar with the institute's infrastructure, including classrooms, laboratories, library, and administrative offices. Faculty members and senior students conducted interactive sessions to discuss study strategies, time management, and effective learning techniques. These sessions also addressed the importance of extracurricular activities in overall personality development. Students had the chance to meet with faculty members from their respective departments, fostering a sense of belonging and providing a platform for academic discussions. Information about counseling services, mentorship programs, and the grievance redressal mechanism was shared with the new students, emphasizing the institute's commitment to their holistic development and well-being.

The Orientation Programme for the 1st Year Students at IPT, Salipur, was a resounding success. It not only provided essential information to new students but also encouraged them to be an integral part of the IPT community. We are confident that this program has set a strong foundation for the academic and personal growth of our newest members.
